Our Loyal Customers:

I am pleased to report that Hillcrest Glass has been very busy in the first several months of 2026. We continue to successfully install custom glass showers, glass railings, mirrors, and residential window glass replacements for repeat and new customers alike.

Our website has undergone quite the revamp as we've introduced a "Meet the Team" page and "Hillcrest Glass Blog" page.

Additionally, our glass specialists, project managers, and office managers are completing their OSHA 10 certifications. This ensures our team stays up-to-date on protocols and prioritizes safety in the workplace.

In February, we started work on a ground-up coffee shop in Littleton that required storefront doors, frames, and glass. In March, we installed 4 frameless, custom showers in a Boulder residence for a new contractor. And in April, we completed a commercial storefront project for a local business. This project required a budget-friendly and environmentally sustainable approach. We opted to use secondhand materials for this installation and our customer could not have been happier with the finished result.

Throughout this newsletter, you will find Spring Specials on window glass replacements and glass showers upgrades. You will see our “Spring First-Aid Seminar” featured and plentiful of fun pictures showing our team doing their best work in the field!

We hope 2026 has been off to a great start for you all and look forward to working with you through the remainder of the year and beyond! Reach out to us directly to get a free consultation from our team.

In the meantime, check out our [Hillcrest Blog](#) and follow us on [Instagram](#) and [Facebook](#) to keep up with all of the exciting things going on at Hillcrest Glass. We would love to help elevate your space!

Warm regards,

Sam Ganden, *General Manager*

SPRING SAVINGS

IN BLOOM

***To receive your discount on your estimate, please mention this Spring

For a limited time, 10% Off Orders of 8 or more Residential Window Glass Replacements... but that's not all!

What is UberClear Glass?

- 💧 Low-Iron glass that eliminates the greenish hue found in standard glass.
- 🚿 Increased clarity stemming from purified raw materials during fabrication.
- ✨ Higher light transmission makes colors more true.
- 🧽 Perfect for showers, glass railings, partitions, back-painted glass and more.

*****A new age of glass is upon us! Premium glass at a reasonable price. Our customers have been loving it! For a limited time, Hillcrest Glass is offering 25% OFF 3/8" UberClear Glass upgrades.*****

High-end shower hardware additions? The answer is always, "Yes please!"

- 💧 Thoughtful design elements installed with functionality in mind.
- 🚿 Custom glass shelves for shower niches.
- ✨ Deluxe squeegees that are sure to make your shower sparkle.
- 🧽 Through-Glass Towel Bars, Robe Hooks, and Toilet Paper Holders... Oh My!

***** For a limited time, Hillcrest Glass is offering 25% OFF all additional shower hardware. *****

Spring First-Aid Seminar

The Hillcrest Glass team always does our due diligence to keep safety at the forefront of all our projects. Whether that means taking inclement weather into consideration on jobsites, ensuring our tools are maintained and reliable, or wearing respirators when polishing glass in the shop... keeping our team protected and safe is priority #1.

This March we decided it was time to provide our team with a first-aid refresher course. We learned how to properly provide CPR, recognize the symptoms of heat-related illnesses, administer a tourniquet and many other important skills that could benefit us at work and off the clock. We are proud to say that all Hillcrest employees participated and received their First-Aid and CPR certifications.

Everyone at Hillcrest believes we feel better prepared to act accordingly if unfortunate occurrences arise. We had fun learning along the way and, to top things off, had a great lunch after the program to celebrate our successes and new knowledge!

Projects We Love

Hillcrest Glass technicians, office managers, and project managers have been hard at work! Below are several other notable projects that we completed recently.

Looking for a custom addition for your home or business? Fill out our **Free Estimate form here**, and a member of our team will be in touch!

Happy Customers Means Happy Hillcrest

TESTIMONIALS

"Hillcrest installed a glass shower door in my shower. It was a competitive price, the glass arrived promotable and the installation looks great. I would definitely

"Excellent customer service. Their staff is so conscientious and respectful of your home. Had a great experience here!"

use them again.”
-Evan M., Boulder, January of 2026

-Pat D., Longmont, February of 2026
